

Powering **Ethics,** Delivering **Values**

#PoweredByEV

If it's an EV, it has to be e-Sprinto

Congratulations, you are among those who look beyond today, towards an eco-friendly journey. Holding this brochure itself means you are all set to step in to a fuel-free, sustainable and reliable ride.

e-Sprinto aims to help people envision a better tomorrow, a cleaner future, and a sustainable journey beyond just transportation.

e-Sprinto is a brand that prioritizes ethics and value along with top-class quality and service. When it comes to a pollution-free environment, fuel efficiency technology, on-the-go charging facility, and a reasonable pocket pinch, we stand out in the crowd – thanks to our skilled technicians and professionals.

If you are looking for an electric scooter that surpasses in performance, reliability, style, and sustainability, it is us – eSprinto.
